Comment on FR Doc # 2015-14921

Submitter Information

Name: Jeremy Satterfield

General Comment

Stay away from my 401k! I can't trust any level of government to effectively manage my future. I want a free market republic, and to be able to secure my own 'American dream.' Your social security plan failed to fulfill the promise of 'security', and so will any attempt to hijack our IRA's.
